This notice serves to extend the deadline to submit proposals for RFP-GHSC-PSM-TO1-O2-CONCENTRATORS to Wednesday, November 4, 2020 at 10:00 am Eastern Standard Time. The deadline for offeror questions is October 29, 2020 at 5:00 pm Eastern Standard Time. Additional modifications have been made to simplify requirements for in-country representatives/service providers. A fully modified RFP is listed below.
Friday, October 2, 2020

SUBJECT: Request for Proposals No. RFP-GHSC-PSM-TO1-O2-CONCENTRATORS

Dear Sir/Madam,

The Global Health Supply Chain Program – Procurement and Supply Management (GHSC-PSM) project (alternately referred to herein as “Chemonics” or “GHSC-PSM” or “Buyer”) is seeking proposals from qualified and eligible offerors to acquire the products/services described in Annexes 4 and 5.

This procurement will be conducted in accordance with Part 15 (Contracting by Negotiations) of the Federal Acquisition Regulation (FAR).

Chemonics/GHSC-PSM will select the proposal(s) that meets the technical specification in accordance with the evaluation criteria. Offerors are requested to submit proposals that are both realistic and reasonable for this effort. Offerors are directed to pay close attention to Annex 5 – Price Quotation and Capability Form.

Please also pay careful attention to all Annexes (please refer to the end of p.11) and other attachments. All submitted proposals must be signed by an authorized official. Proposals received after the closing date and time will be processed as late and handled in accordance with FAR 15.208 at Chemonics’s discretion. All documents submitted with the offer must be signed by the bidding company’s authorized representative and submitted in PDF format. Annex 5- Price Quotation and Capability Form shall also be submitted in Excel format.

The subject field of the submission via email must read: RFP-GHSC-PSM-TO1-O2-CONCENTRATORS

Thank you for your interest in Chemonics/GHSC-PSM procurement opportunities.

Sincerely,

Andrew Monahan

Contractor for USAID Global Health Supply Chain Program
Procurement and Supply Management
amonahan@ghsc-PSM.org

2. Ethical and Business Conduct Requirements:

Chemonics and its partners on GHSC-PSM (the GHSC-PSM Project) are committed to integrity in procurement, and only selects suppliers based on objective business criteria such as price and technical merit. Chemonics expects suppliers to comply with our Standards of Business Conduct, available at [https://chemonics.com/our-approach/standards-business-conduct/](https://chemonics.com/our-approach/standards-business-conduct/)

The GHSC-PSM Project does not tolerate fraud, collusion among Suppliers, falsified proposals/bids, bribery, or kickbacks. Any firm or individual violating these standards will be disqualified from this procurement, barred from future procurement opportunities, and may be reported to both USAID and the Office of the Inspector General.

Employees and agents of Chemonics and the GHSC-PSM Project are strictly prohibited from asking for or accepting any money, fee, commission, credit, gift, gratuity, object of value or compensation from current or potential vendors or suppliers in exchange for or as a reward for business. Employees and agents engaging in this conduct are subject to termination and will be reported to USAID and the Office of the Inspector General. In addition, Chemonics will inform USAID and the Office of the Inspector General of any supplier offers of money, fee, commission, credit, gift, gratuity, object of value, or compensation to obtain business.

Suppliers responding to this solicitation must include the following as part of the proposal submission:

- Disclose any close, familial, or financial relationships with Chemonics or the GHSC-PSM Project. For example, if a Supplier’s cousin is employed by the GHSC-PSM Project, the Supplier must state this.
- Disclose any family or financial relationship with other Suppliers submitting proposals. For example, if the Supplier’s father owns a company that is submitting another proposal, the Supplier must state this.
- Certify that the prices in the offer have been arrived at independently, without any consultation, communication, or agreement with any other Supplier or competitor for the purpose of restricting competition.
- Certify that all information in the proposal and all supporting documentation are authentic and accurate.
- Certify understanding and agreement to the prohibitions against fraud, bribery and kickbacks.

Please contact Risk Management at PSMRiskManagement@ghsc-psm.org with any questions or concerns regarding the above information or to report any potential violations. Potential violations may also be reported directly to Chemonics’ Washington office through the contact information listed on the website found at the hyperlink above.

3. Introduction:
The Global Health Supply Chain Program – Procurement and Supply Management (GHSC-PSM) project (alternately referred to herein as “Chemonics” or “GHSC-PSM” or “Buyer”) is an official project of the United States Agency for International Development (USAID) implemented by Chemonics International and its consortium members. The purpose of GHSC-PSM is to ensure uninterrupted supplies of health commodities in support of USG-funded public health initiatives around the world. The project provides direct procurement and supply chain management support to the President’s Emergency Plan for AIDS Relief (PEPFAR), the President’s Malaria Initiative (PMI), and Population and Reproductive Health (PRH). GHSC-PSM supports health programs through the supply of a wide range of health commodities, including contraceptives and condoms, essential drugs; and select commodities for HIV/AIDS, malaria, maternal and child health, and infectious diseases.

4. Objectives and scope of the solicitation
As part of project activities, the GHSC-PSM Project requires the provision of commodities listed in Annexes 4 and 5.

The referenced commodities, Oxygen Concentrators, are required for the generation of medical-grade oxygen in the following countries.

- Afghanistan
- Ghana
- Haiti
- Kenya
- Malawi
- Mozambique
- Nigeria
- Tajikistan

The total number of Oxygen Concentrators to be ordered by Chemonics will be determined by individual country funding and requirements. One or more BOAs for Oxygen Concentrators may be awarded.

The Oxygen Concentrators shall be commissioned at facilities in the above countries by the Offeror or the Offeror’s local agent. The Offeror or the Offeror’s local agent shall be responsible for training health facility staff on the safe use of the Oxygen Concentrator, required maintenance protocols, shall ensure access to spare parts, and via a Service Level Agreement, provide required maintenance and repairs.

Facilities to receive Oxygen Concentrators are being determined in coordination with USAID and the relevant authorities in the recipient countries. Offerors are requested to propose models meeting the specifications in Annex 4, and describe the Offeror’s “standard” commissioning and training process.

Offerors are requested to provide their best pricing for Oxygen Concentrators for the above-listed eight countries, and propose volume discounts for quantities greater than two (2) units, in the format stipulated in Annex 5.

5. General information/questions submission process:
Questions or requests regarding the technical or administrative requirements of this solicitation shall be submitted to: PSMBidTender@ghsc-psm.org and Andrew Monahan at amonahan@ghsc-psm.org submitted by October 29, 2020.

Section II: Instructions for Offerors

1. Overview and Contents of Proposals
The Suppliers (alternatively referred to herein as “Subcontractors” or “Suppliers” or “Vendors”) are responsible for ensuring that their offers are received by GHSC-PSM in accordance with the instructions, terms, and conditions described in this solicitation. Failure to adhere to instructions described in this solicitation may lead to disqualification of an offer from consideration. GHSC-PSM anticipates the award
of a Basic Ordering Agreement (BOA) with the Supplier(s) who meet the criteria established in this solicitation and is determined to be a responsible, eligible supplier for the specified item(s). Chemonics reserves the right to cancel the solicitation or award to multiple successful Suppliers in order to meet the needs of the GHSC-PSM project and the U.S. government.

Chemonics will only accept the submission of offers via email for this procurement, submitted by the time specified above in the table with the relevant information. Email submissions shall be sent to the contacts listed below. Phone calls will not be accepted. Only the written answers issued by GHSC-PSM will be considered official and carry weight in the solicitation process and subsequent evaluation process. Any verbal information received from employees of the project, Chemonics International, Inc. or any other entity should not be considered as an official response to any questions regarding this solicitation. All documents submitted with the offer must be signed by the Supplier’s authorized representative and submitted in PDF format. Annex 5- Price Quotation and Capability Form shall also be submitted in Excel format. Offers must contain:

1. Offer Letter (based on Annex 3)
2. Complete Required Certifications (included in Annex 2). Please make sure to pay close attention to Annex 2 ensuring that you have marked all the required check boxes
3. Quality Assurance documentation (detailed in Annex 4)
4. Completed Annex 5 (Price Quotation and Capability Form)
5. If available, a sample of Supplier’s local agent/distributor/service provider standard commercial Service Level Agreement (SLA) terms

Annex 5 Instructions

Within Annex 5 Price Quotation and Capability Form, Offerors are requested to propose all models meeting performance specifications in Annex 4.

Annex 5 provides Offerors the opportunity to not only list pricing, but also demonstrate the capabilities of their products, services, and in-country/local agents, distributors, or service providers who can provide service under the SLA.

For Annex 5, Offerors are not required to propose SLA pricing at this time. Please provide local agent/distributor/service agent contact information, and if available, current or proposed SLA terms that you and your local agent/distributor/partner believe are reasonable and consistent with the local context and in-country business and operational standards.

Chemonics understands that each country context is different and will review SLA terms with that understanding.

Offerors are required to complete the following tabs:

Spec Confirmation: Please state if and how your proposed product conforms to the specifications. Detailed specifications are carried over from Annex 4 and included in Annex 5 as a checklist. Offerors shall list product specifications for their offer and assure conformity with the detailed specifications. For instances in which additional detail is required, Offerors are encouraged to utilize the ‘Comments’ column.

Price Quotation: this tab is broken down, based on technical requirements, beyond the detailed specifications listed in the preceding tab, including destination country, elevation, etc. Please complete this form including price for each of the eight countries), and include detail for dimensions, manufacture site, etc., as requested.

Please provide the requested information in this tab to the best of your ability. If you are unable to provide information for a data field, please provide a brief explanation why, so we understand why it is
blank. You may insert notes into the Excel workbook, or in a separate narrative. Any data you are unable to provide on Annex 5, Pricing Spreadsheet will not be disqualifying.

Prices for SLAs are not required at this time. The Basic Ordering Agreement (BOA) will be awarded without SLA pricing, with SLA pricing to be added to Annex A, Price Schedule when country volumes are identified, prior to issuance of a Purchase order (PO) for equipment and SLAs.

Installation and Training: This tab requests additional detail related to your offer, including minimum requirements for unit operation, commissioning, user maintenance, trainings offered, and specifics related to each of these subjects.

**Warranty and Service Agreement:** Within this tab, please provide specifics in response to the questions on warranties and service agreements. Additionally, Offerors shall attach warranty examples, as stated within the tab. If available, Offeror may provide a sample SLA (current or proposed) with the Offeror’s local agent/distributor/service agent’s standard commercial terms and conditions. If this is unavailable, please so state.

**Spare Parts:** On this tab, Offerors shall provide detail for spare parts. For cases in which items are sold separately from the concentrator itself, Offerors are requested to list the product and price as a separate line item within the tab. Additionally, Offerors should note if any products are considered to be proprietary in nature.

**Consumables:** On this tab, Offerors shall provide details for consumables. For cases in which items are sold separately from the concentrator itself, Offerors are requested to list the product and price as a separate line item within the tab. Additionally, Offerors should note if any products are considered to be proprietary in nature.

2. **Offer deadline and submission protocol**

Offers should be prepared based on the guidelines listed in this solicitation, along with properly filled out and signed price quotation and capability form (Annex 5). Please note the Annex 5 must also be provided in excel format.

Offers and all correspondence and documents relating to the offer shall be in English. Offers must be submitted no later than 5:00PM Washington, DC Time (U.S. EDT) on Wednesday, November 4, 2020 by email to FSBidTender@ghsc-psm.org and Andrew Monahan at amonahan@ghsc-psm.org.

Please include only “Solicitation No. RFP-GHSC-PSM-TO1-O2-CENTRATORS” in the email subject line.

Offers received after the specified time and date will be considered late and will be handled in accordance with FAR 15.208 and at Chemonics’ discretion.

3. **Amendments to this Solicitation:**

At any time prior to the deadline for submission of the offer, GHSC-PSM may for any reason, such as in response to clarification requested by Offeror, modify the solicitation in the form of a Supplemental Information Amendment to the solicitation. All prospective Offerors will be notified in writing of all changes and additional instructions through the Supplemental Information Amendment to the solicitation via direct communication with the prospective Offerors.

To afford prospective Offerors reasonable time to consider the amendments in preparing their offer, GHSC-PSM may, at its discretion, extend the deadline for submission of offers, if the nature of the amendment to the solicitation justifies such extension.

4. **Technical specifications:**
Goods offered must fully comply with the technical specifications, including packaging requirements, listed in Annex. 4 Product(s) Specifications and Technical Requirements. The offers must contain detailed specifications of the product(s) offered.

5. Offers:
Suppliers are requested to provide offers for the required items using in the Price Quotation tab in Annex 5. Price Quotation and Capability Form. SLA’s are not required to be priced at this time. Chemonics will order specific quantities for specific countries as required, during the period of performance of this award. Offerors shall indicate and price out any proprietary consumables and durables required to operate the equipment.

6. Prices
Please quote prices on the following basis: FCA (Free Carrier) Vendor Dock.

The prices (unit prices) for the Concentrators, warranties, and spare parts should be firm, fixed, and all-inclusive total unit prices. Pricing must be presented in U.S. Dollars.

The Supplier shall agree that the Price(s) in the offer in response to this solicitation represents the lowest price(s) at which Supplier currently sells the Goods under comparable terms and conditions to any United States Government or U.S. Government funded customers. If during the life of any subsequent BOA, the subcontractor sells the Goods to any U.S. Government or U.S. Government funded customer for a lower price, it will promptly inform Chemonics and execute an amendment to the BOA so that such lower price applies to any pending or subsequent Goods delivered thereunder.

Offers must remain valid for not less than ninety (90) calendar days after the offer deadline date.

The Suppliers shall provide their best estimated lead time for the specified quantity (in calendar weeks) for each item quoted. Lead time means the period between the receipt of an order and the time when the goods are packed for shipment. The lead time indicated in a resulting order must be upheld in the performance of any Purchase Order.

7. Period of performance
Chemontics anticipates the period of performance of this BOA to be from the time the BOA is signed by both the Supplier and Chemonics International, Inc. until November 27, 2023.

8. Taxes and Value Added Tax (VAT)
The GHSC-PSM prime contract under which this procurement is funded does not permit the financing of any taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the manufacturing country and the Cooperating Country. U.S. sales tax shall not be applied because the equipment is for immediate export. The Supplier shall not assess any manufacturing or cooperating country taxes, duties, levies, etc. from which this USAID project is exempt. No such taxes, VAT, charges, tariffs, duties or levies will be paid under orders resulting from this solicitation.

9. Withdrawal, Substitution, and Modification:
Offerors are solely responsible for the full consistency of its offer to the requirements of the solicitation.

Prior to the RFP closing date, an Offeror may withdraw, substitute or modify its previously submitted offer by sending a written notice to the email listed in the coversheet of this solicitation for receipt of offers, duly signed by an authorized representative. All notices must be received by Chemonics prior to the deadline for submission. The respective email shall clearly mark in the subject line “Solicitation No. RFP-GHSC-PSM-TO1-O2-CONCENTRATORS” and then type either “Withdrawal”, “Substitution”, or “Modification”.

10. Confidentiality:
No offer may be withdrawn, substituted, or modified in the interval between the deadline for submission of the offer and the expiration of the period of offer validity specified by the Offeror on the Offer Submission Form or any extension thereof. Information relating to the examination and evaluation of the offer, and the recommendation of the award, shall not be disclosed to any other Offerors/persons not officially concerned with such process.

If the Offeror is unsuccessful, the Offeror will receive an “Unsuccessful Offeror Letter” from GHSC-PSM. The purpose of the letter is to provide feedback on the strengths and weaknesses of the Offeror’s submission in order to assist the Offeror in improving subsequent Offer(s) presented to GHSC-PSM and to be stronger competitor in all future procurement opportunities.
Section III: Eligibility Requirements

1. Offeror Eligibility
By submitting an offer in response to this solicitation, the Supplier certifies that it and their principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Chemonics will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.

Please be advised that all interested parties who will be receiving a sub-award valued at $30,000 or more are required to be registered in Dun and Bradstreet and are subject to SAM registration before an award can be made. Information on obtaining the Data Universal Numbering System (DUNS), can be found at this website: http://fedgov.dnb.com/webform. Suppliers are also required to register their business on the U.S. Government’s System for Award Management (SAM) at www.sam.gov. Information on this process for foreign vendors is available here: http://photos.state.gov/libraries/thailand/591452/gso/duns_ncage_instructions.pdf. Prospective Suppliers are encouraged to register in SAM prior to the submittal of offers.

2. Source/Nationality/Manufacturer:
None of the goods and services offered in response to this solicitation or supplied under any resulting award may originate within the following list of countries, per the United States Code of Federal Regulations (CFR), 22 CFR 228 and USAID Geographic Code 935, which means, “Any area or country including the cooperating country, but excluding the foreign policy restricted countries (Cuba, Iraq, Iran, Laos, Libya, North Korea, and Syria).

The Supplier may not offer or supply any commodities or services that are manufactured or assembled in, shipped from, transported through or otherwise involving any of the above-listed foreign policy restricted countries (Cuba, Iraq, Iran, Laos, Libya, North Korea, and Syria), or any of the countries on USAID’s list of prohibited sources, available here: https://www.usaid.gov/ads/policy/300/310mac. The Supplier must also ensure that they do not offer or supply any commodities or services provided by individuals or entities on the sanctions lists maintained by OFAC, available here: https://sanctionssearch.ofac.treas.gov/

Section IV: Evaluation Process and Award Criteria

1. Overview of Evaluation process and Award Criteria
Chemonics anticipates the award of a BOA with the Supplier(s) who follow the solicitation instructions, meet the eligibility requirements established in this solicitation, are determined to be responsible, eligible supplier(s) for the specified items. Proposals will be evaluated on the following criteria:

<table>
<thead>
<tr>
<th>Evaluation Criteria:</th>
<th>Order of Importance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quality Assurance Eligibility</td>
<td>1</td>
</tr>
<tr>
<td>Manufacturing Lead Time</td>
<td>2</td>
</tr>
<tr>
<td>Total Cost of Ownership (e.g. unit cost, warranty, and spare parts, across estimated lifespan and other elements as applicable)</td>
<td>3</td>
</tr>
<tr>
<td>In-Country Agent/Service Provider Capability</td>
<td>4</td>
</tr>
<tr>
<td>In-Country Registration</td>
<td>5</td>
</tr>
</tbody>
</table>

It is anticipated that award(s) will be made based on original offers and the above referenced evaluation criteria among all qualified suppliers. However, Chemonics/GHSC-PSM reserves the right to conduct negotiations with and/or request clarifications from any Supplier prior to award.

2. Clarification of Offer:
To assist in the examination and evaluation of the Offers, Chemonics may, at its discretion, ask the Offeror to clarify the Offer, after which scores may be re-evaluated.

3. Responsiveness of Offer:
Chemonics’ determination of an offer’s responsiveness will be based on the contents of the offer itself. A substantially responsive offer is one that conforms to all the terms, conditions, and specification of this solicitation without material deviation, reservation, or omission. If an offer is not substantially responsive, it shall be rejected by Chemonics and may not subsequently be made responsive by the Offeror by correction of the material deviation, reservation, or omission.

4. Nonconformities, Reparable Errors and Omissions:
Provided that the offer is substantially responsive, Chemonics may waive any non-conformities or omissions in the offer that, in the opinion of Chemonics, do not constitute a material deviation.

5. Questions or Concerns Regarding Award Criteria
In submitting an offer to this solicitation, the Suppliers shall understand that USAID is not a party to this solicitation and the Suppliers agree that any questions or concerns hereunder must be presented—in writing with full explanations—in accordance with the guidance set forth in Sections IV and V, only to Chemonics for consideration.

Section V: Terms, Conditions, and Annexes

1. Terms and Conditions
Issuance of this solicitation does not in any way obligate Chemonics, the GHSC-PSM project, or USAID to make an award or pay for costs incurred by the Supplier in the preparation and submission of an offer.

Any reward resulting from this solicitation will be in the form of a Basic Ordering Agreement (BOA). The BOA sets forth terms, agreed to by both parties, for equipment pricing and technical specifications. Annex A, Price Schedule will be modified to include Service Level Agreement Pricing after award, but prior to issuance of PO’s.

Orders under a BOA will be made through Purchase Orders, which stipulate units of equipment, service level agreements and recipient countries, as well as Goods Availability Dates. Purchase Orders must be agreed upon by both parties to be valid.

This solicitation is subject to Chemonics general terms and conditions and any attachments thereto. A copy of the BOA general terms and conditions and Price Schedule Annex are attached as (Annex 1) to this solicitation. Any resultant award will be governed by these terms and conditions. Chemonics reserves the right to revise the content, order, and numbering of the provisions in the actual BOA prior to execution by Chemonics and the selected Supplier. Issuance of a BOA and placement of any orders thereunder is subject to the availability of sufficient funds.

Risk of loss, damage, injury, or destruction of the goods shall be borne by the Supplier until custody is transferred upon delivery to Chemonics on behalf of USAID.

United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. To confirm individuals or parties are not on a U.S. Government Excluded Parties List, Offerors and Subcontractor(s) are required to, at a minimum, check https://sam.gov/SAM/pages/public/searchRecords/searchResults.jsf. The Subcontractor(s) under any award resulting from this solicitation must ensure compliance with the above-referenced laws and requirements.
2. Award Criteria and Orders under any Resulting BOAs

Purchase Orders under any resulting BOAs will generally be determined from the successful Offeror(s)’ responses to this RFP. Chemonics will evaluate the successful Offeror(s)’ proposals and BOA Price Schedules, including pricing for Service Level Agreements, to determine the best value offeror for each order. While Chemonics does not plan to release a request for quotation (RFQ) for each order, Chemonics may do so. Factors for consideration in award of Purchase Order may include:

a. Local agent/service provider capability to provide service, Service Level Agreement terms and price, maintenance and repairs; and
b. Lead time

3. Global Standards

GHSC-PSM is implementing a requirement for trade item and location, data capture (e.g. barcode labeling) and master data exchange via the GS1 Global Data Synchronization Network (GDSN). The offeror may be required to comply with this requirement if it is included in Annex 1 – BOA and Price Schedule Annex Template of this solicitation and the resulting BOA. Any offerors currently implementing GS1 standards are encouraged to submit their information, if they have not done so already, by completing the submission form available at https://www.ghsupplychain.org/global-standards/gatinglnsubmissionform and submitting it to datasync@ghsc-psm.org.

Offerors may refer to the Global Standards Technical Implementation Guideline for Global Health Commodities, V 2.1 for more information: https://www.ghsupplychain.org/global-standards-technical-implementation-guideline-global-health-commodities-v21

4. Shipment Mode

Once the Purchase Order is executed, the Supplier shall provide all necessary documents and packing as per the Terms and Conditions outlined in Annex 1, in line with the shipping mode in this section. Shipment mode can be confirmed together with shipping instructions/country profile at moment of issuance of the contract, upon request. This order is intended to be shipped by Air.

5. Product utilization

Items purchased by Chemonics are not for use in the United States of America or for resale. As part of project activities, GHSC-PSM requires the supply of selected commodities for one or multiple countries supported by USAID initiatives.

These products may not be used by recipient institutions for resale to commercial institutions or in response to bids on local or international tenders.

6. Disclaimers

- Chemonics/GHSC-PSM may cancel the solicitation at any time and not award
- Chemonics/GHSC-PSM may reject any or all responses received
- Issuance of the solicitation does not constitute an award commitment by Chemonics/GHSC-PSM
- Chemonics/GHSC-PSM reserves the right to disqualify any offer based on failure of the offeror to follow solicitation instructions
- Chemonics/GHSC-PSM will not compensate any offeror for responding to solicitation
- Chemonics/GHSC-PSM reserves the right to issue award based on initial evaluation of offers without further discussion
- Chemonics/GHSC-PSM may choose to award only part of the activities in the solicitation, or issue multiple awards based on the solicitation activities
- Any significant deficiencies regarding responsiveness to the requirements of this solicitation, an offer may be deemed “non-responsive” and thereby disqualified from consideration. Chemonics/GHSC-PSM reserves the right to waive immaterial deficiencies at its discretion.
- Chemonics/GHSC-PSM may choose to contact each offeror to confirm contact person, address and that the bid was submitted for this solicitation
