***** ETHICAL AND BUSINESS CONDUCT REQUIREMENTS *****

Chemonics is committed to integrity in procurement, and only selects suppliers based on objective business criteria such as price and technical merit. Chemonics expects suppliers to comply with our Standards of Business Conduct, available at <https://www.chemonics.com/our-approach/standards-business-conduct/>

Chemonics does not tolerate fraud, collusion among offerors, falsified proposals/bids, bribery, or kickbacks. Any firm or individual violating these standards will be disqualified from this procurement, barred from future procurement opportunities, and may be reported to both USAID and the Office of the Inspector General.

Employees and agents of Chemonics are strictly prohibited from asking for or accepting any money, fee, commission, credit, gift, gratuity, object of value or compensation from current or potential vendors or suppliers in exchange for or as a reward for business. Employees and agents engaging in this conduct are subject to termination and will be reported to USAID and the Office of the Inspector General. In addition, Chemonics will inform USAID and the Office of the Inspector General of any supplier offers of money, fee, commission, credit, gift, gratuity, object of value, or compensation to obtain business.

Offerors responding to this RFQ must include the following as part of the proposal submission:

- Disclose any close, familial, or financial relationships with Chemonics or project staff. For example, if an offeror's cousin is employed by the project, the offeror must state this.
- Disclose any family or financial relationship with other offerors submitting proposals. For example, if the offeror's father owns a company that is submitting another proposal, the offeror must state this.
- Certify that the prices in the offer have been arrived at independently, without any consultation, communication, or agreement with any other offeror or competitor for the purpose of restricting competition.
- Certify that all information in the proposal and all supporting documentation are authentic and accurate.
- Certify understanding and agreement to Chemonics' prohibitions against fraud, bribery and kickbacks.

Please contact PSMZambiaProcurement@ghsc-psm.org with any questions regarding the above information. Potential violations or concerns should be reported directly to Chemonics by email (BusinessConduct@chemonics.com) and/or to the Country Director (jvstichelen@ghsc-psm.org) or by phone/Skype at 888.955.6881.

Section 1: Instructions to Offerors

1. **Introduction:** The Global Health Supply Chain Procurement and Supply Management (GHSC-PSM) Project is a USAID program implemented by Chemonics International Inc. in Zambia. The goal of the GHSC-PSM Project is to promote uninterrupted supplies of health commodities in support of USG-funded public health initiatives around the world. The project provides direct procurement and supply chain management support to the President's Emergency Plan for AIDS Relief (PEPFAR), the President's Malaria Initiative (PMI), the USAID Office of Population and Reproductive Health (PRH), and the USAID Office of Maternal and Child Health and Nutrition. As part of project activities, the GHSC-PSM Project requires the purchase of qualified unarmed security services to be supplied to Metropolitan House Lusaka, Choma Provincial office, and four international staff residences in Lusaka (Chudleigh, Roma, Leopard's Hill and Jesmondine) 24 hours per day and 7 days a week, including holidays and weekends on a 24-hour basis. The purpose of this RFQ is to solicit quotations for these services.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than 12:00hrs local Lusaka time on February 16, 2022 by email **ONLY** to PSMZambiaProcurement@ghsc-psm.org .

Please reference the RFQ number in any response to this RFQ. Offers received after the specified time and date will be considered late and will be considered only at the discretion of Chemonics.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than 12:00hrs local Lusaka time on February 8, 2022 by email to PSMZambiaProcurement@ghsc-psm.org . Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that Chemonics believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by Chemonics will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of Chemonics or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Scope of Work:** Section 3 contains the Scope of Work for the required work for the services that might be ordered under this RFQ and the technical qualifications that the selected offeror must possess.
5. **Quotations:** Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs related to security service provision. Prices must be inclusive of the following costs: salaries, fringe, overhead costs, equipment maintenance, fee, and insurance (including worker's compensation insurance mandated by U.S. Defense Base Act (DBA insurance
Pricing must be presented in Zambian Kwacha. Offers must remain valid for not less than thirty (30) calendar days after the offer deadline. Offerors are requested to provide quotations **on**

their official quotation format or letterhead; in the event this is not possible, offerors may complete the table in Section 3(B).

In addition, offerors responding to this RFQ are requested to submit the following:

- Organizations responding to this RFQ are requested to submit a copy of their official registration, identification card and business license.
 - Cover letter, signed by an authorized representative of the offeror (see Section 4 for template)
 - Copy of required licenses and official registration to operate a security firm within Zambia.
 - Copy of offeror's registration or business license if separate and different from registration in Zambia.
 - Three (3) past performance references for the delivery of services similar to the type contemplated in this solicitation, including a description of the services provided and contact information with telephone and email address. The past performance references must include contact information with telephone and email
 - Communications Protocol - Description of the communication's protocol between the guard force and operations room that provides oversight/supervision/support to guards, outlining the offeror's response capabilities in the event of an emergency, including 1) speed of response (where stationed, distance from facilities) and 2) how offeror would respond (number of people, if response force is armed, etc.).
 - Official quotation, including any cost notes (see Section 3 for requirements). Company policies/regimen related to staff training. The training regimen shall include initial training and qualifications as well as regularly scheduled sustainment training. Proof of training and/or certifications associated with providing security services.
 - CVs for all proposed security guards and other personnel
 - The price quotation be submitted separately from above documents. All other parts of this quotation must not refer to pricing data in order that the technical evaluation may be made strictly on the basis of technical merit. Current first aid certification
 - Evidence of Responsibility

 - Signed certification stating the offeror's detailed current level of insurance coverage which should include but is not limited to Defense Based Act (DBA) worker's compensation, Comprehensive General Liability, Automobile Liability, and Umbrella insurances.
 - Company policies governing duty of care and/or that restrict services being offered to include policies on usage of firearms, licensing, and liability including copy of Escalation of Force or Use of Force policies
6. **Delivery:** As part of its response to this RFQ, each offeror is expected to provide an estimate (in calendar days) of the delivery timeframe (after receipt of order). The delivery estimate presented in an offer in response to this RFQ must be upheld in the performance of any resulting contract.
7. **Source/Nationality/Manufacture:** All goods and services offered in response to this RFQ or supplied under any resulting award must meet **USAID Geographic Code 935** in accordance with the United States Code of Federal Regulations (CFR), [22 CFR §228](#). The cooperating country for this RFQ is Zambia.

Offerors may not offer or supply any commodities or services that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, and Syria.

Any and all items that are made by Huawei Technology Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikivision Digital Technology Company, Dahua Technology Company will not be accepted. If quotes include items from these entities, please note that they will be deemed not technically responsive and excluded from competition.

8. **Taxes and VAT:** The agreement under which this procurement is financed does not permit the financing of any taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country. No such Cooperating Country taxes, VAT, charges, tariffs, duties or levies will be paid under an order resulting from this RFQ.

9. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Chemonics will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.

10. **DUNS Number:** Companies or organizations, whether for-profit or non-profit, shall be requested to provide a Data Universal Numbering System (DUNS) number if selected to receive an award in response to this RFQ valued greater than or equal to USD\$30,000 (or equivalent in other currency). If the Offeror does not have a DUNS number and is unable to obtain one before RFQ submission deadline, Offeror shall include a statement noting their intention to register for a DUNS number should it be selected as the successful offeror or explaining why registration for a DUNS number is not possible. Contact Dun & Bradstreet through this webform to obtain a number: <https://fedgov.dnb.com/webform>. Further guidance on obtaining a DUNS number is available from Chemonics upon request

11. **Evaluation and Award:** An award will be made to the offeror whose proposal is determined to be responsive to this solicitation document, meets the eligibility criteria stated in this RFQ, meets the technical, management/personnel, and corporate capability requirements, and is determined to represent the best value to Chemonics. Best value will be decided using the tradeoff process.

This RFQ will use the tradeoff process to determine best value as set forth in FAR 15.101-1. That means that each proposal will be evaluated and scored against the evaluation criteria and evaluation sub-criteria, which are stated in the table below. Chemonics will award a subcontract to the offeror whose proposal represents the best value to Chemonics and GHSC-PSM project Chemonics may award to a higher priced offeror if a determination is made that the higher technical evaluation of that offeror merits the additional cost/price. Evaluation points will not be awarded for cost, but for overall evaluation purposes of this RFP, technical evaluation factors other than cost, when combined, are considered significantly more important than cost factors. Cost will primarily be evaluated for realism and reasonableness. If technical scores are determined to be nearly equal, cost will become the determining factor.

In evaluating proposals, Chemonics will use the following evaluation criteria and sub-criteria:

| Evaluation Criteria | Evaluation Sub-criteria | Maximum Points |
|---|--|----------------|
| Technical Approach, Methodology, and Detailed Work Plan | | |
| | Technical know-how – Chemonics will assess whether the quotation clearly explains, understands and responds to the objectives of the project as stated in the Scope of Work? | 20 points |

| | Chemonics will assess the past performance of the Offerors by contacting three references who may indicate the Offeror's past performance for projects of similar size and scope. Offerors must include 3 past performance references of similar work (under contracts or subcontracts) previously implemented as well as contact information for the companies for which such work was completed. Contact information must include at a minimum: name of point of contact who can speak to the offeror's performance, name and address of the company for which the work was performed, and email and phone number of the point of contact | 10 points |
| Total Points – Corporate Capabilities | | 30 points |
| Total Points | | 100 points |

Best-offer quotations are requested. It is anticipated that award will be made solely based on these original quotations. However, Chemonics reserves the right to conduct any of the following:

- Chemonics may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, Chemonics may issue a partial award or split the award among various suppliers, if in the best interest of the GHSC-PSM Project.
- Chemonics may cancel this RFQ at any time.
- Chemonics may reject all offers, if such action is considered to be in the best interest of Chemonics.

12. **Privity:** Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the GHSC-PSM for consideration, as USAID will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

13. **Terms and Conditions:** This is a RFQ only. Issuance of this RFQ does not in any way obligate Chemonics, the GHSC-PSM Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to Chemonics' standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:

- (a) Chemonics' standard payment terms are net 30 days after receipt and acceptance of any commodities or deliverables. Payment will only be issued to the entity submitting the offer in response to this RFQ and identified in the resulting award; payment will not be issued to a third party.
- (b) Any award resulting from this RFQ will be firm fixed price, in the form of a purchase order.

- (c) Purchase orders may not be assigned, sub-contracted, or delegated, in whole or in part, by the Supplier without the written consent of Chemonics; in the absence of such written consent, any assignment to a third party is void.
- (d) No services or commodities may be supplied that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, Syria
- (e) Any international air or ocean transportation or shipping carried out under any award resulting from this RFQ must take place on U.S.-flag carriers/vessels.
- (f) United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.

14. **Insurance and Services:** Within two weeks of signature of this RFQ, the Supplier at its own expense (except that DBA shall be reimbursable to the Supplier at cost), shall procure and maintain in force, on all its operations, insurance in accordance with the charts listed below.

The policies of insurance shall be in such form and shall be issued by such company or companies as may be satisfactory to Chemonics. Upon request from Chemonics, the Supplier shall furnish Chemonics with certificates of insurance from the insuring companies which shall specify the effective dates of the policies, the limits of liabilities there under, and contain a provision that the said insurance will not be canceled except upon thirty (30) days' notice in writing to Chemonics. The Supplier shall not cancel any policies of insurance required hereunder either before or after completion of the work without written consent of Chemonics.

DEFENSE BASE ACT (DBA) INSURANCE

- a) FAR 52.228-3 WORKER'S COMPENSATION INSURANCE (DEFENSE BASE ACT INSURANCE) (APR 1984) [Updated by AAPD 05-05 — 02/12/04] The Subcontractor shall (a) provide, before commencing performance under this Subcontract, such workers compensation or security as the Defense Base Act (DBA) (42 U.S.C. 1651, et seq.) requires and (b) continue to maintain it until performance is completed. The Subcontractor shall insert, in all lower-tier subcontracts authorized by Chemonics under this Subcontract to which the Defense Base Act applies, a clause similar to this clause imposing upon those lower-tier subcontractors this requirement to comply with the Defense Base Act. DBA insurance provides critical protection and limits on liability. The Subcontractor shall provide a proof of DBA insurance coverage to Chemonics upon request. Chemonics will verify coverage for, at least, projects in high-risk environments and where Chemonics may be providing security.
- b) AIDAR 752.228-3 WORKERS' COMPENSATION (DEFENSE BASE ACT) [Updated by AAPD 05-05 — 02/12/04] As prescribed in AIDAR 728.308, the following supplemental coverage is to be added to the clause specified in FAR 52.228-3.

(b)(1) The Subcontractor agrees to procure DBA insurance pursuant to the terms of the contract between USAID and USAID's DBA insurance carrier unless the Subcontractor has a DBA self-insurance program approved by the U.S. Department of Labor or has an approved retrospective rating agreement for DBA.

(b)(2) If USAID or Subcontractor has secured a waiver of DBA coverage (See AIDAR 728.305-70(a)) for Subcontractor's employees who are not citizens of, residents of, or hired in the United States, the Subcontractor agrees to provide such employees with

worker's compensation benefits as required by the laws of the country in which the employees are working, or by the laws of the employee's native country, whichever offers greater benefits.

(b)(3) The Subcontractor further agrees to insert in all lower-tier subcontracts hereunder to which the DBA is applicable a clause similar to this clause, including the sentence, imposing on all lower-tier subcontractors authorized by Chemonics a like requirement to provide overseas workmen's compensation insurance coverage and obtain DBA coverage under the USAID requirements contract.

(b)(4) USAID's DBA insurance carrier.

Pursuant to the clause of this Subcontract entitled "Worker's Compensation Insurance (Defense Base Act)" (AIDAR 752.228 03), the Subcontractor shall obtain DBA coverage from USAID's current insurance carrier for such insurance. This insurance carrier as of the effective date of this Subcontract is AON Risk Insurance Services West, Inc. Address is AON, 2033 N. Main St., Suite 760, Walnut Creek, CA 94596-3722. Point of contact is Fred Robinson: (o) 925-951-1856, fax: 925-951-1890, E-Mail: Fred.Robinson@aon.com.

Subcontractor must apply for coverage directly to AON Risk Insurance Services Inc., the agent for AWAC DBA Insurance. For instructions on the required application form and submission requirements, please refer to AAPD 17-01.

Pursuant to AIDAR 752.228-70, medical evacuation is a separate insurance requirement for overseas performance of USAID funded subcontracts; the Defense Base Act insurance does not provide coverage for medical evacuation.

The costs of DBA insurance are allowable and reimbursable as a direct cost to this Subcontract.

c) AIDAR 752.228-7 INSURANCE ON PRIVATE AUTOMOBILES- Pursuant to the clause of this Subcontract entitled "Insurance Liability to Third Persons" (AIDAR 752.228-07), if the Subcontractor or any of its employees, consultants, or their dependents transport or cause to be transported (whether or not at Subcontract expense) privately owned automobiles to the Cooperating Country, or if any of them purchase an automobile within the Cooperating Country, the Subcontractor shall, during the period of this Subcontract, ensure that all such automobiles during such ownership within the Cooperating Country will be covered by a paid-up insurance policy issued by a reliable company providing minimum coverage of US\$10,000/US\$20,000 for injury to persons and US\$5,000 for property damage, or such other minimum coverages as may be set by the cognizant Mission Director, payable in U.S. dollars or its equivalent in the currency of the Cooperating Country. The premium costs of such insurance shall not be a reimbursable cost under this Subcontract.

d) AIDAR 752.228-70 Medical Evacuation Services (MEDEVAC) Services (JULY 2007) [Updated by AAPD 06-01].

(1) The Subcontractor shall provide MEDEVAC service coverage to all U.S. citizen, U.S. resident alien, and Third Country National employees and their authorized dependents (hereinafter "individual") while overseas under a USAID-financed direct contract. Chemonics will reimburse reasonable, allowable, and allocable costs for MEDEVAC service coverage incurred under this Subcontract. The USAID Contracting Officer through Chemonics will determine the reasonableness, allowability, and allocability of the costs based on the applicable cost principles and in accordance with cost accounting standards.

(2) Exceptions:

(i) The Subcontractor is not required to provide MEDEVAC insurance to eligible employees and their dependents with a health program that includes sufficient MEDEVAC coverage as approved by Chemonics.

(ii) The USAID Mission Director through Chemonics, may make a written determination to waive the requirement for such coverage. The determination must be based on findings that the quality of local medical services or other circumstances obviate the need for such coverage for eligible employees and their dependents located at post.

(3) If authorized to issue lower-tier subcontracts, the Subcontractor shall insert a clause similar to this clause in all lower-tier subcontracts that require performance by Subcontractor employees

| TYPE | MINIMUM LIMIT |
|--|--|
| (a) Defense Base Act or equivalent for waived nationals per FAR 52.228-3 and 52.228-4. The coverage shall extend to Employers Liability for bodily injury, death, and for occupational disease. | As required by DBA |
| (b) Comprehensive General Liability Each Occurrence Combined Single Limit for Personal Injury and/or Property Damage | \$1,000,000 \$2,000,000 |

| (d) Other Required Insurance • Umbrella Insurance additive to (b) and (c) above | (b) \$1,000,000/ (c) \$2,000,000 |

15. Compliance with U.S. Export Laws

The Offeror agrees to comply with all U.S. export laws and regulations, including but not limited to: (i) the Arms Export Control Act (AECA), 22 U.S.C. 2778 and 2779; (ii) Trading with the Enemy Act (TWEA), 50 U.S.C. App. §§ 1-44; (iii) International Traffic in Arms Regulations (ITAR), 22 C.F.R. Parts 120-130.; (iv) Export Administration Act (EAA) of 1979 and the Export Administration Regulations (EAR) 15 C.F.R. Parts 730-774, (including the EAR anti-boycott provision); (v) the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1701-1706 and Executive Orders of the President under IEEPA, 50 U.S.C. app. §§ 2401-2420; (vi) Office of Foreign Asset Controls (OFAC) Regulations, 31 C.F.R. Parts 500-598; and (vii) other applicable U.S. laws and regulations. As required, subject to Chemonics' prior approval for all exports or imports under the Subcontract, Offeror shall determine any export license, reporting, filing or other requirements, obtain any export license or other official authorization, and carry out any customs formalities for the export of goods or services. Offeror agrees to cooperate in providing any reports, authorizations, or other documentation related to export compliance requested by Chemonics. Offeror agrees to indemnify, hold harmless and defend Chemonics for any losses, liabilities and claims, including as penalties or fines as a result of any

regulatory action taken against Chemonics as a result of Offeror's non-compliance with this provision.

Section 2: Offer Checklist

To assist offerors in preparation of proposals, the following checklist summarizes the documentation to include an offer in response to this RFQ:

- Copy of required licenses, identification card and official registration to operate a security firm within Zambia.
- Copy of offeror's registration or business license if separate and different from registration in Zambia

Section 3: Scope of Work and Pricing Schedule

Section 3.A (1): Scope of Work:

The Offeror shall provide security services to support the safety and security of the GHSC-PSM project Metropolitan House Office, Choma Provincial Health office, and four residences in Lusaka Zambia, to both personnel working or residing at the site and all property housed in the facility. The sole function of the security services and security personnel provided by the Offeror is to minimize the risk of loss or damage by fire, theft, burglary, vandalism, terrorism, natural disaster, riot, or civil commotion. The Offeror will use its best endeavors to minimize or prevent loss or damage to the Chemonics property. The Offeror shall complete the following tasks:

Tasks: Guards must be qualified to provide unarmed static security services, to which include the duties of securing facility entry points, conducting perimeter patrols of the premises, reporting suspicious activities and other potential safety and security threats, monitoring receiving and dispatch processes, and responding to security incidents in accordance with designated standard operating procedures (SOPs). Tasks may include, but will not be limited to:

- Ensuring staff and visitors entry into the premises is subject to verification of Identification Badge. All visitors must be accompanied to the offices.
- Ensuring that all vehicles (cars and motorcycles) are logged out and logged back into the compound. The log will include the time that the vehicle exited or entered the site and the name of the driver.
- Ensuring that staff or visitors entering the premises, either on foot or in vehicles, do not bring in any unauthorized items such as explosive/ non-explosive weapons, sharp objects or dangerous weapons and flammable/corrosive/explosive chemical materials.
- Routinely conducting perimeter patrols of the site in order to monitor the site and its surroundings for any potential security or safety concerns.
- Promptly reporting any suspicious activity or encountered incidents within or immediately outside of the premises to the Country Director, Jean-Marc Vander Stichelen - jvstichelen@ghsc-psm.org and Senior Operations Manager, Mwela Sikazwe - msikazwe@ghsc-psm.org . Submit an incident report for any security incidents within the same day of occurrence. Such reports must include, at a minimum, (a) date, time and place of the location, (b) description of the events, (c) injuries to personnel or damage/loss of property, (d) witnesses, (e) current security assessment, and (f) other relevant information. Providing incident response and management in accordance with guard training and standard operating procedures. Assigned guards should be supported by periodic mobile patrols for back up during all shifts.

3.A.2 Provision of Unarmed Guard Security Services. Metropolitan House, Choma provincial health office and applicable residences in Lusaka Zambia are subject to high levels of street crime, burglary, civil unrest, and random violence which necessitate the use of 24-hour armed protective services on all Chemonics' premises. The Offeror shall provide a static guard force to provide unarmed guard services at the Lusaka and Choma offices and applicable residences for 24 Hours a day, 7 days a week. This will comprise one 12-hour shift of unarmed guards during the day, and one 12-hour shift of unarmed guards during the night. The provider may be required to install a Guard Monitoring Unit (GMU) to facilitate remote supervision of guards completed rounds. Guards must be qualified to provide static security services, to which include the duties of securing the main gate and entry points, managing access control protocols as directed by project office management, conducting roving patrol of the premises and perimeter, monitoring receiving and dispatch processes. Offeror will ensure all shifts are covered with appropriate head count, and adequately trained individuals.

Guards must meet the following minimum service standards:

- Have at least 3 years of previous experience as a security guard in Zambia protecting staff, materials, and structures against common risks (as evidenced by resume / work history)
- Minimum grade 9 education
- Have proficiency in English; including the ability to read and write and maintain the security logbooks in each post.
- Certified, trained, and licensed in accordance with local laws to carry and use a weapon (Offeror shall certify that the guard meets local requirements and provide training records and licenses upon request; Offeror shall also provide a sample training curriculum for Chemonics to review)
- Trained in static guard operations including security tactics, access control, and personnel and vehicle searches (Offeror shall be able to provide details of completed guard training as requested by Chemonics)
- Fully vetted to ensure a clean criminal record, no dependence on drugs or alcohol, and positive reference checks (Offeror shall be able to provide evidence of vetting process as requested by Chemonics)
- Physically fit to perform all job functions to include lift, move, and carry objects weighing 25kg unimpeded and without assistance; standing for long periods of time, walk, run, jump, and climb unimpeded and without assistance; ability to distinguish basic colors, distinguish depth, and see clearly at night and in lowlight (Offeror shall ensure that personnel are medically fit to perform the functions of the job)
- In possession of National Identity Cards issued by the Government of Zambia (Offeror shall be able to provide personnel identification as requested by Chemonics)
- Current first aid certification (Offeror shall provide copy of certification).

Equipment: Guards shall be equipped and supplied, at a minimum, with the following individual equipment:

- Work uniform(s) sufficient to maintain professional dress and appearance for all guards
- Work boots
- Wet/cold weather jacket
- Baton/nightstick
- Whistle

Rotations: The Offeror shall not schedule any security staff more than 5 days a week without having a 24-hour rest period (Offeror staff shall also not work more than 5 days in a row (sequentially) before having a full 24-hour period of rest and must have off no less than 8 hours between shifts.

Adjustments: Upon Chemonics request, the Offeror must be able to increase or decrease the number of guards on duty within 48 hours of the request being ordered by Chemonics in writing through the changes clause described in the future subcontract.

Policy on Use of Deadly Force: The Offeror's security procedures shall comply with local law.

In-extremis Response: Guards shall be managed 24/7 by a designated control room capable of deploying an immediate response team in the event of an alarm activation by the guards or residents. Immediate response teams must be able to respond to the distress call in under 15 minutes in accordance with a proven rapid response protocol. Immediate response teams must further be trained in incident management and emergency response, to include training in managing a range of site security incidents.

Management: Security personnel shall be managed by the Offeror. The Offeror shall ensure security personnel presence at Lusaka and Choma, including all required monitoring and oversight to ensure that guards are at their posts and performing their duties as required. Security personnel shall maintain adequate records of operations on site. The Offeror shall produce a Security Service Monthly Report that will at a minimum contain: the names of the personnel who worked and their specific shift rotations (dates and times), any observations made by their personnel, any issues or observations that were reported, and a high-level analysis of GMU reports at sites where such a system is installed. Chemonics shall in return provide the Offeror monthly feedback on guard performance or any other items of note. Security personnel must comply with the instructions of the GHSC-PSM Office management team and must always exhibit courtesy and the highest levels of professionalism in the performance of their duties. Chemonics will notify the Offeror verbally and, either before or after verbal notification, also in writing of any conduct problems concerning the Offeror's employees or agents about the services as soon as possible after Chemonics becomes aware of them. The Offeror shall substitute any of the security guards within 2 days of written notice by Chemonics if any such guard is negligent in the performance of his/her duties or if s/he repeatedly refuses to follow the instructions of Chemonics. Chemonics emphasizes the importance of information for the proactive management of security. To support the provision of security services, the Offeror shall ensure security personnel liaise regularly with other security stakeholders around the GHSC-PSM Lusaka to remain apprised of potential threats or relevant incidents. Any information which may have an impact on the security of staff and operations at the GHSC-PSM Lusaka will be communicated to Chemonics in writing (and verbally if appropriate). The Offeror shall further provide real-time updates on immediate security issues and threats around operations such as demonstrations, riots, police operations, criminal activity, road closures, and heavy traffic. These should be provided to the designated personnel via email or phone depending on the immediacy of the situation.

Reporting: The Offeror shall provide Chemonics in writing with any observations and recommendations pertaining to the safety and security of the location, and the security measures implemented on site. Chemonics emphasizes the importance of information for the proactive management of security. Any information which may have an impact on the security of project staff and operations will be communicated to Chemonics either in writing or verbally as appropriate. The Offeror shall further provide real-time updates on immediate security issues and threats in the area of operations such as demonstrations, riots, police operations, criminal activity, road closures, and heavy traffic. These should be provided to the designated personnel via phone or email depending on the immediacy of the situation. The Offeror shall produce monthly service reports that will at a minimum contain: the names of the personnel who worked and their specific shift rotations (dates and times), any observations made by their personnel, and any issues or observations that were reported.

The Offeror shall further provide baseline Standard Operating Procedures (SOP) for security personnel and assist in the development of site-specific SOPs including, but not limited to, access control and incident response. The Offeror shall provide a guard post and relief log, detailing when guards are posted and relieved, when supervisors make rounds, and any incidents or other information of note.

3.A.3. Offeror Performance Clause

The Offeror is required to ensure that all guards follow prescribed issue resolution standard operating procedures. Failure to notify appropriate personnel in the event of an alarm at the Metropolitan House, Choma provincial health office, and applicable residences could be considered a breach of the contract and result in the loss of the security contract with Chemonics. Additionally, it is the responsibility of the Offeror to identify any gaps in the existing alarm response protocol and notify all appropriate Chemonics leadership with recommendations to resolve said gap.

Training. The Offeror shall have an established training regimen for all security personnel appropriate to job requirements. The training regimen shall include initial training and qualifications as well as regularly scheduled refresher training. All training must be in accordance with the local law. The Offeror shall provide documentation for individual training covering rules for the use of force including whether defense of others is consistent with local law. The Offeror shall provide written acknowledgement that personnel were briefed about and understand limitations on the use of force.

Mobilization. The Offeror shall mobilize personnel and resources within 7 days after award of a task order.
