Additional parking. Other lots or garages throughout the [Capitol Riverfront](#) or [The Yards](#) neighborhoods offer parking. Limited metered street parking is also available on the streets immediately surrounding the building. Apps like [ParkWhiz](#) or [SpotHero](#) may help you find spaces. Please see [ParkDC's website](#) for more information on parking.

Bicycle. Chemonics-Washington is in close proximity (0.5-mile radius) to 10 Capital Bikeshare Stations. Several companies operate dockless bikes that can be unlocked via mobile apps. The [District's Department of Transportation](#) site lists these companies, the number of bikes available, and how to get more information. There are also public bicycle racks to secure your personal bicycle in close proximity to the building.

Bus. Several buses stop near Chemonics-Washington. Visit [goDCgo's bus-focused website](#) for more information about [bus routes](#) and for other related resources. The [WMATA trip planner tool](#) also outlines public transportation options to Chemonics-Washington.

Metro. Chemonics-Washington is close to four [Metro](#) lines.

- The Green line services the [Navy Yard-Ballpark](#) station. The walk to Chemonics-Washington from the station entrance at the northwest corner of M Street and New Jersey Avenue SE is approximately 3 minutes and 0.1 miles.

- The Blue, Orange, and Silver lines pass through [Capitol South](#) station. The walk to Chemonics-Washington from the station entrance at First Street and C Street SE is approximately 15 minutes and 0.75 miles.

Water taxi. [City Cruises](#) operates a water taxi connecting The Wharf to Georgetown, Old Town Alexandria, and National Harbor. The dock is approximately a 30 minute-walk (1.3 miles) from Chemonics-Washington.

Accessing the Building All Chemonics visitors will check in at the front desk or Chemonics receptionist upon entering the building. There they will be required to confirm their COVID-19 vaccination status and show photo ID before receiving a temporary adhesive visitor pass. Temporary passes must be visible at all times in the building. Staff are expected to escort their visitors at all times while at the office.

Safety and Security Chemonics is dedicated to providing a secure work environment for all by implementing proactive safety and security measures. We ask that staff participate in creating a safe and secure work environment by familiarizing themselves with, and adhering to, all security policies and procedures. Detailed safety and security procedures are outlined in the Chemonics Washington Emergency Action Plan. In an emergency, the Chemonics sponsor will assist their visitor(s) to the designated rally point and is responsible for their physical accountability.

Chemonics prides itself on creating a workplace that puts the health and safety of our employees and visitors first. Everyone coming into Chemonics-Washington is required to be fully vaccinated against COVID-19. Employees must upload a scanned copy of their vaccination card to their personal record via ADP prior to entering the building. Visitors will be asked for proof of vaccination as part of the visitor management process. To mitigate the risk of COVID-19 infections, we have implemented enhanced daily cleaning protocols to ensure the health and safety of our employees and visitors.

Office Amenities On the third floor you will find an 'Honor Market' inside Café 75 serving a variety of meals, snacks, and drinks. Simply grab what you would like, scan the items, and pay at the kiosk with either a credit or debit card. You can also find refreshments like hot coffee, tea, kombucha, seltzer, and kombucha located throughout the building.

Additional Information. To learn even more about Chemonics-Washington like approaches to accessibility and inclusion or sustainability be sure to scan the QR codes located throughout the building.
