If you need assistance, please submit a ticket in ChernSupport. Guests should ask their Cherr	nonics contact.

5G IPHONES

5G compatible iPhones may need the Low Data Mode setting. Go to Settings > Wi-Fi. Tap the info button next to the Wi-Fi network and tap Low Data Mode or Use Wi-Fi for Internet.

USERNAME & PASSWORD

If you have a Chemonics username and password, you must use them to login. Visit <u>https://passwordreset.microsoftonline.com</u> to reset your password.

Chemonics-owned Windows and Mac Computers

Chemonics-owned Windows and Mac computers should connect automatically to the WiFi in the building. If your computer does not automatically join the WiFi or has no internet access, please submit a ticket in <u>ChemSupport</u>. Do not connect to the CHEMONICS-GUEST network.
